MJ PROTECTION FORCE

Security | Facility Management | Manpower Solutions

"Protecting People. Securing Businesses. Building Trust." |

Message from the Managing Partners

"At MJ Protection Force, we believe that security is built on trust, discipline, and responsibility. Drawing upon our experience as former Border Security Force personnel, we are committed to providing dependable security, housekeeping, and manpower services with professionalism and integrity.

Our employees are our greatest strength. We are committed to their welfare and to enhancing their skills through periodic training conducted by highly qualified professionals. This enables them to deliver exceptional service while upholding the highest standards of discipline, safety, and customer care.

Our mission is to build long-term relationships with our clients through honesty, reliability, and consistent service excellence."

We don't merely provide manpower—we provide confidence, commitment, and peace of mind."

Mani K
Managing Partner

ABOUT US

MJ Protection Force is a professionally managed Security & Facility Management company headquartered at Kannadi, Palakkad, Kerala. Established by former Border Security Force (BSF) personnel, we deliver disciplined, dependable, and ethical security solutions backed by years of field experience.

Our expertise extends beyond security. We provide comprehensive housekeeping services and manpower solutions tailored to industrial, commercial, residential, healthcare, educational, and hospitality sectors.

At MJ Protection Force, we don't just deploy manpower—we build confidence, ensure safety, and create long-term partnerships through professionalism and integrity.

COMPLIANCE

We maintain strict adherence to statutory regulations and industry standards.

1. PF Compliance (Employees' Provident Fund)

We ensure that all eligible employees are covered under the Employees' Provident Fund (EPF) scheme in accordance with statutory regulations

2. ESI Compliance (Employees' State Insurance)

We provide all eligible employees with the benefits of the Employees' State Insurance (ESI) scheme as per the Employees' State Insurance Act.

3. Labour Law Compliance

MJ Protection Force strictly complies with all applicable labour laws and statutory regulations to ensure a fair, safe, and legally compliant workplace

4. Police Verification

Trust and security are the cornerstones of our services. Only verified personnel are assigned to client locations, ensuring reliability, integrity, and complete peace of mind.

5. Identity Cards

Every employee is issued an official company Identity Card for proper identification and workplace security.

This enhances security, accountability, and professional identification at every worksite.

7. Salary Transparency

We believe in fair, transparent, and timely salary disbursement for all employees.

All payroll transactions are managed with complete transparency and compliance.

8. Uniform Standards

All security personnel are required to maintain a professional appearance by adhering to our uniform standards.

OUR COMMITMENT

We are committed to protecting people, property, and business continuity through disciplined manpower, ethical management, professional supervision, and continuous improvement.

Our mission is to become a trusted security partner by delivering dependable services that ensure safety, confidence, and peace of mind for every client.
